Elangeni College is an  
ISO 9001 and OSHAS  
18001 certified  
organisation.

1. Students will undergo Body Mass Index (BMI) calculation process at the campus. Only students with a BMI of 30 and below will qualify for enrolment (the SAPS only accepts students with a BMI of less than 30). Formula:  
$$\frac{\text{WEIGHT}}{[\text{HEIGHT} \times \text{HEIGHT}]}$$
2. Students may NOT have any criminal record. Students must produce a written undertaking (affidavit) indicating this.
3. Elangeni College recommends that students must be below 26 years of age, when enrolling for this programme. The NCV is three years in duration (level 2-4) and the SAPS only recruits applicants below 30 years of age. This then allows the student an extra year for any unforeseen circumstances. The final decision to apply for this programme is still that of the student, even if they are over the age of 26 as recommended.
4. SUBJECTS (Level 2)  
**FUNDAMENTAL SUBJECTS:**  
Life Orientation, Maths Literacy, English  
**CORE SUBJECTS:**  
Introduction to Law, Principles of Criminal Justice, Introduction to Governance  
**ELECTIVE SUBJECT:**

5. Applications for Safety in Society may commence from November 2010. Interested students must complete the registration process and pay the required registration fee / deposit.  
  
Interested students will be able to get their BMI tested during the application process.
6. IMPORTANT NOTICE TO ALL STUDENTS: At level 4 of the programme, the college will undertake to provisionally enroll qualifying students with either SAPS, Correctional Services or SANDF. However it is incumbent on the students to undergo and pass the SAPS psychometric testing, aptitude testing, maintain a clear criminal record and undergo further physical testing and/or adhere to requirements set by these institutions respectively.
7. All students applying for this programme at Level 2, must have at least a Grade 9 pass (or equivalent).
